

IN THE SPECIFICATION

Please amend the paragraph beginning at page 3, line 14, as follows:

These objects and others which, although not actually mentioned explicitly, can be inferred as obvious from the contexts discussed here or necessarily result therefrom, are achieved by the light-guide bodies ~~described in Claim 1~~ comprising at least one light-guiding layer as described below. Expedient refinements of the light-guide bodies according to the invention are ~~protected in the dependent claims referring to Claim 1~~ also described below.

Please amend the paragraph beginning at page 3, line 21, as follows:

With respect to production processes, ~~Claims 16 and 17 provide~~ processes providing a solution to the underlying object are also described below.
